

Banner advertising on www.profibus.com

Offer

Homepage

Max. 2 x 3 banners only:
banners rotate time
clocked; with reload
of the page / changeover
position changes per
random

The homepage features a navigation bar with links for Community, Technology, Products, Newsletters, Press, Contact, and Downloads. The main content area includes a large banner for the 'PI-Konferenz 2017 - Thema: Industrie 4.0'. Below this are three columns: 'PI Community', 'Product Finder', and 'Go Mobile with PROFIBUS'. At the bottom, there are sections for 'LATEST TRAINING EVENTS', 'LATEST DOCUMENTS', and 'APPLICATION STORIES'. The footer contains logos for PROFIBUS, PROFINET, and IO-Link.

Subpage

Max. 2 x 3 banners only:
banners rotate time
clocked; with reload of
the page / changeover
position changes per
random

The subpage features a navigation bar similar to the homepage. The main content area includes a large banner with a photo of people and the text 'Technologieführerschaft erreicht man am Besten im Team.' Below this is a section titled 'Die Profibus Nutzerorganisation e. V.' with an 'About PI' sub-section. A world map is shown with statistics: 'over 1,400 member companies worldwide'. At the bottom, there are logos for 'DIPOL PROFIBUS', 'DIPOL PROFINET', and 'IO-Link'. The footer contains 'Über PROFIBUS', 'Kontakt', and 'Links' sections.

- Banner is shown on the homepage and all subpages
- Banner is shown only on PC, laptop und tablet
- Banner changes the position per random by new page impression
- Banner statistics available by request
