PI-Literature List, Page 1 of 9

Status: May 9, 2017

PI offers a full range of very helpful documents for download or purchase, all of them intended to help you to engineer and commission PROFIBUS, PROFINET and IO-Link devices and networks. On the following pages, there is an overview on the available documents plus information how you can obtain them. **As a member of PI, you may download pdf-files free of charge from the PI Website** www.profibus.com (not included: printed books). If you are not a member of PI, you may purchase them at the nominal fee indicated below. For your order, please use the order form on the PI Website. Our terms of payment and delivery are shown on the last page.

Books

http://www.profibus.com/download/technical-descriptions-books/

Title	Order-No	Available Language	**Nominal Fee € *** Member	**Nominal Fee € *** *Non-Member*
Book "Catching the Process Fieldbus" An introduction to PROFIBUS and PROFINET	4.191 4.192	German English	18 €	*36 €*
PDF	4.191f / 4.192f	German English	free download	*18 €*
ebook (epub/Mobi file)	4.191m/p 4.192 m/p	German English	free download	*18 €*
Book "Industrial Communication with PROFINET" Describing PROFINET	4.181 4.182	German English	24 €	*48 €*
PDF	4.181f / 4.182f	German English	free download	*24 €*
ebook (epub/Mobi file)	4.181m/p 4.182 m/p	German English	free download	*24 €*
Book "The New Rapid Way to PROFIBUS DP" Describing PROFIBUS from DP-V0 to DP-V2	4.071 4.072	German English	24 €	*48 €*

* plus shipping

Installation Guides

http://www.profibus.com/download/installation-guide

Please note: Members can download all the following documents for free on our website!

Title	Order-No.	Available Language	**Nominal Fee €** *Non-Member*
PROFIBUS Installation Guideline for Design	8.011 8.012	German English	*free download*
PROFIBUS Installation Guideline for Cabling and Assembly	8.021 8.022	German English	*free download*
PROFIBUS Installation Guideline for Commissioning	8.031 8.032	German English	*free download*
PROFIBUS Interconnection Technology	2.142	English	*free download*
PROFINET Installation Guideline for Design	8.061 8.062	German English	*free download*
PROFINET Installation Guideline for Cabling and Assembly	8.071 8.072	German English	*free download*
PROFINET Installation Guideline for Commissioning	8.081 8.082	German English	*free download*
PROFINET Cabling and Interconnection Technology	2.252	English	*free download*
PROFINET Conformance Class A Cabling	7.072	English	*free download*
PROFIsafe – Environmental Requirements	2.232	English	*free download*
WSAN System Specification	2.642	German English	*150 €*
WSAN Air Interface Specification	2.632	German English	*150 €*
Wireless Networks Coexistence in PROFINET Infrastructures	7.202	English	*150 €*
PROFIBUS RS485-IS User and Installation Guideline	2.262	English	*free download*

Specifications & Standards

http://www.profibus.com/download/specifications-standards/ -standards/

Please note: Members can download all the following documents for free on our website!

Title	Order-No.	Available Language	**Nominal Fee €** *Non-Member*
PROFIBUS Standard – DP Specification.	To be purchased from IEC: http://www.profibus.com/nc/download/specifications-standards/downloads/profibus-standard-dp-specification/display/		
PROFINET IO Specification - Overview and guidance for PROFINET specifications for 2.712, 2.722, 2.742	2.702	English	*free of charge*
PROFINET IO Specification - Application Layer services for decentralized periphery and distributed automation	2.712	English	*150 €*
PROFINET IO Specification - Application Layer protocol for decentralized periphery and distributed automation	2.722	English	*150 €*
PROFINET IO Specification - Profiles for decentralized periphery	2.742	English	*150 €*
PROFINET IO Configure in Run	7.112	English	*150 €*
PROFINET IO Media Redundancy in Process Automation systems	7.092	English	*150 €*
PROFINET IO System Redundancy	7.122	English	*150 €*
PROFINET IRT Engineering	7.172	English	*150 €*
PROFINET Security Richtlinie/Guideline	7.001/ 7.002	German English	*free download*
Common Application Profile C2C	3.212	English	*150 €*
Topology Engineering and Discovery for PROFINET IO	7.182	English	*150 €*
Diagnosis for PROFINET	7.142	English	*150 €*
Fiber Optic Diagnosis	7.162	English	*150 €*
Fieldbus Integration into PROFINET IO Amendment 1: PROFIBUS Integration into PROFINET IO Amendment 2: INTERBUS Integration into PROFINET IO Amendment 3: AS-Interface Integration into PROFINET IO Amendment 4: HART Integration in PROFINET IO Amendment 5: DEVICENET Integration into PROFINET IO Amendment 6: Foundation Fieldbus Integration into PROFINET IO Amendment 7: CANopen Integration in PROFINET IO	7.012	English	*150 €*
MES and PROFINET - Maintenance Operations	7.022	English	*free download*
Communication Function Blocks for PROFIBUS and PROFINET	2.182	English	*free download*
Physical Layer Medium Dependent Sublayer on 650 nm Fibre Optics	2.432	English	*150 €*
Specification Slave Redundancy	2.212	English	*free download*
Time Stamp	2.192	English	*150 €*
Isochronous Mode Guideline	7.192	English	*150 €*
IO-Link Integration for PROFIBUS	2.812	English	*free download*
IO-Link Integration for PROFINET	2.832	English	*free download*

Terms of Payment and Delivery: see page 9

Profiles

http://www.profibus.com/download/profiles/

Please note: Members can download all the following documents for free on our website!

Title	Order-No.	Available Language	**Nominal Fee €** *Non-Member*
Profile Guidelines Part1: Identification & Maintenance Functions	3.502	English	*150 €*
Profile Guidelines Part 2: Data Types, Programming Languages and Platforms	3.512	English	*150 €*
PROFIBUS Profile Guidelines Part 3: Diagnosis, Alarms and Time Stamping	3.522	English	*150 €*
PROFIBUS Profile Guidelines Part 4: Universal Parameter Server	3.532	English	*150 €*
Host Application Profile	3.902	English	*150 €*
Fluid Power Technology	3.112	English	*150 €*
PROFIBUS Profile HART	3.102	English	*150 €*
Identification Systems, Proxy Ident Function Block	3.142	English	*150 €*
Profile for Intelligent Pumps	2.422	English	*150 €*
Profile for Laboratory Devices	2.412	English	*150 €*
Profiles for Low Voltage Switchgear (LVSG)	3.122	English	*150 €*
Profile for Process Control Devices 3.02 **Amendment 1 to PROFIBUS Profile for Process Control Devices**	3.042	English	*150 €*
Profile for PROFIBUS and PROFINET Encoders	3.162	English	*150 €*
PROFIdrive - Profile Drive Technology **Amendment PROFIdrive on PROFIsafe**	3.172 + 3.272	English	*150 €*
PROFIenergy - Common Application Profile	3.802	English	*150 €*
PROFIsafe on PROFIBUS DP and PROFINET IO	3.192	English	*150 €*
Remote IO for Process Automation; Profile Specification (RIO for PA) for PROFINET	3.232	English	*150 €*
Remote IO for Factory Automation (RIO for FA)	3.242	English	*150 €*
Profile for Robot / Numerical Controls	3.051 3.052	German English	*150 €*
Train Profile Development Guideline for PROFINET IO	7.052	English	*150 €*
Train Profile Standard Elements for PROFINET IO	7.062	English	*150 €*
Train Profile Development Guideline WTB Gateway f. PROFINET IO	7.152	English	*150 €*
Profile for Weighing and Dosage Systems Parts a, b,c	3.182 a, b, c	English	*150 €*

Terms of Payment and Delivery

- **Orders and deliveries in Germany**: All nominal fees are net prices, excluding packaging, shipping and VAT. Payment net 14 days, no discount. The invoice is your order confirmation. The items are property of PROFIBUS Nutzerorganisation e.V. until full payment is settled. The minimum order value for non-members is EURO 40.-.

- **Orders and deliveries to foreign countries**: In addition to the above-mentioned terms of payment, the following terms are in force. Members' nominal fees are only granted to all paid-up full members of PI / an RPA. Shipments to foreign countries are dispatched by United Parcel Service or DHL. We will charge you the full shipping costs and bank fees. Files are delivered by e-mail. The minimum order value for orders from abroad is EURO 70.-. Orders from EC countries without VAT-Identification Number can NOT be processed.

- **Orders from America** will be forwarded to PI North America and processed (shipped, invoiced) directly from there: PI North America, Michael J. Bryant, 16101 N. 82nd Street, Suite 3B, Scottsdale, AZ 85260 USA. Phone: +1 480 483 2456, Fax: +1 480 483 7202, usa@profibus.com

- For information about PROFIBUS, PROFINET or IO-Link literature offered in your country, please **contact your Regional PI Association** (RPA). Contact details see http://www.profibus.com/pi-organization/regional-pi-associations/

- **PI offers FREE download of PROFIBUS, PROFINET and IO-Link documentation to all full members of PI.** Non-members may purchase the documents as described on this literature list. If you are interested in ordering a special document or a printed version of a document which is not listed on this list, please contact info@profibus.com for a quote.

- **Please use our Order Form for your order.**
